Dear Mr. Barak

I attached a small thank-you letter to this mail. I hope SPIEF met your and your wife's expectations and you enjoyed your visit to St.Pete last week!

I also enclosed a presentation for our coming event – Open Innovations Forum (28.10 – 01.11.2015, Moscow) for your information. We'd highly appreciate an opportunity to host you as a keynote speaker at the expo.

Kind regards,

Sergey Belyakov
